		Total Amount Due	

- **The local suppliers are experiencing difficulties securing regular shipments of Triploid Grass Carp and Bass. For that reason, we have not included them on the spring order form. If you would like to contact them directly for more information as to when they may be receiving them, please contact Hickling's Fish Farm in Edmeston, NY (607)965-8488 or Northeastern Aquatics in Rhinebeck, NY at (845)876-3983.**
- Orders not picked up will not be held, will not be refunded, and will be subject to a cancellation fee.
- Price changes from year to year are due to supplier costs and sizes of fingerlings/adults available. We try our best to keep our costs to you as low as possible.
- Please bring something to hold the bagged fish upright and stable during transport. Large boxes, totes, and coolers work well. The District is not responsible for loss of fish during transport by the customer.
