- A Grass Carp Permit MUST be obtained by NYS DEC prior to ordering. A copy of the permit MUST be submitted with your order, it will not be processed until it is received.
- Orders not picked up will not be held or refunded and will be subject to a cancellation fee.
- There will be a check fee of \$40.00 for any returned checks.
- Price changes from year to year are due to supplier costs and sizes of fingerlings/adults available. We try our best to keep our costs to you as low as possible.
- Please bring something to hold the bags of fish upright and stable during transport. Large boxes, totes, and coolers work well. The District is not responsible for loss of fish during transport by the customer.

****Stocking recommendations****

Trout: 100 adults (8-10" or greater) per surface acre. It is recommended that this be done every 2-3 years.

Bass: 100 fingerlings per surface acre (4-5" are slightly larger than a fingerling, so stocking can be cut by half) along with 500-600 minnows per surface acre.

✂

PLEASE TEAR OFF THIS PORTION & KEEP
